AHH Family Reunion is the biggest fundraising event for our agency. Every summer we get together to celebrate adoption, one of the Lord's greatest miracles. Part of the registration fee and the donations that we receive allows us to maintain our adoption programs and expand our ministry uniting more children with their forever families. The funds generated from 2008 reunion allowed us to re-open our Domestic program and ministry to women who faced unplanned pregnancy, to pursue AHH accreditation in Peru and expand our China Special Needs program.

If you are not able to attend AHH Family Reunion Picnic please consider making a tax-deductible donation to our ministry. Your gifts allow us to maintain and grow our ministry and bless more children and families around the world.

Cordially,

A Helping Hand
